CLASSIC CART SERIES 95 US gal / 360 L

KEY FEATURES

- Injection molded cart for strength and durability
- The IPL injection mold process produces exacting design and yields consistent thickness, precision and cost effectiveness.
- UV stabilized against long term effects of the sun.

WHEELS

- Solid steel axle, yellow-zinc plated against corrosion
- Wheels snap on without tools

BODY

- Carts are 100% recyclable
- Unibody design with no bolts or holes that could potentially leak
- Designed for maximum wind stability
- Easy to handle

LID

- Advanced lid hinge design offers a tight seal that keeps pests and weather out and trash in.
- Safe lid: can support the weight of a child
- Multilingual user instructions on the lid

TRACKING

- RFID tag and bar code enabled

DECORATION

- Multicolor hot stamping, branded logos, serial numbers
- Sequential serial numbers, bar coding

WARRANTY

- 10-year limited warranty
- 20-year life expectancy that can take the worst weather and the roughest handling
- Longest lasting cart in North America
- Meets all American National Standards Institute requirements for safety and lifter system compatibility. (ANSI Z245.30 and Z245.60)
